

Publishing Success Program

What are my options?

*Ghost-writing services are available for certain non-fiction and memoir book projects. The investment typically increases by \$10,000 or more, depending on the scope.

Phases 1 through 4:

\$40,000 or 11 payments of \$4,000

Content Development, Editing, Publication, and Book Launch

For the writer who has an idea for a book that will change lives—your own life and your readers’ lives—and you want to make sure it’s done professionally, from start to finish. You’re creating a new trajectory as an author, and you want a professional team to guide you, every step along the way, to maximize your book’s success. This is a 12-month journey from book concept to published author with a platform.

Phases 2, 3, and 4:

\$30,000 or 11 payments of \$3,000

Editing, Publication, and Book Launch

For the writer who has a rough draft that is ready for editing. You want a team of editors to bring their best work to your book, and you’re ready to level up the quality of your writing and storytelling. Once the book is polished, you have your sights set on designing, publishing, and launching a professional quality book. This is a 9-month journey from manuscript to published author with a platform.

Phases 2 and 3:

\$20,000 or 11 payments of \$2,000

Editing and Publication

For the writer who has a rough draft that is ready for editing. You want several editors to bring their best work to your book, and you’re ready to level up the quality of your writing and storytelling. Once the book is polished, you want a team of professionals to proofread, design, and publish your book. This is a 6-month journey from manuscript to published author with a book for sale globally.

Phases 3 and 4:

\$20,000 or 11 payments of \$2,000

Publication and Book Launch

For the writer who has a finished manuscript that is ready to design, format, and publish. You want a professional design team for the book’s layout, itself, plus a tried and true book launch plan that is optimized for building your platform, massive visibility, and long-term, ongoing sales. This is a 6-month journey from polished manuscript to published author with a growing readership and platform.
